REFLECTS GOOD LIVING

More money spent on automobiles than for food

(Special to the Courier)

NEW YORK—More money is spent in Kelowna for automotive equipment than for food. Approximately 22 cents out of every dollar spent in the local retail stores goes for purchases of new and used cars, tires, batteries and other accessories, and for farm machinery, motorcycles and the like.

Food stores take the second largest bite out of the dollar. The facts are brought out in Sales Management's current, copyrighted survey of the spending habits of people in all parts of Canada and the United States.

Dealers in automotive equipment to \$221,000, or a little more than in Kelowna produced a sales volume in 1953 of \$3,125,000.

Big spending in this direction reflects a high standard of living and is normally an index of good times. With families earning more, as was the case in Kelowna last year, more is spent for luxuries.

GROCERY BUSINESS

This expansiveness was noted in the grocery stores, meat markets and other food shops in the city, which did a \$2,799,000 volume of business in the year.

It was equivalent to 20 cents out of every dollar of retail business chalked up locally. This was another sign of good living.

Sales in general merchandise and variety stores, another index considered in the survey, totalled \$1,148,000 in the year, representing the stores selling furniture, household supplies, radios and the like did \$888,000, amounting to five cents.

Purchases in drug stores came

New traffic signs go up here today

Necessary signs informing motorists that they can make a right hand turn against a red traffic light, were being erected today.

Council agreed to delay enforcing the new regulation until the signs had been erected. The new system will go into effect tomorrow morning.

Before motorists make a right hand turn against a red light, they must come to a full stop and must make sure pedestrians lanes are clear before making the turn.

Remains of death car

Above picture shows the death car in which Lawrence Downer, of Vernon, was fatally injured half a mile south of Winfield Sunday afternoon. Two passengers in Downer's car were treated for injuries at Kelowna General Hospital and were later released.

P. F. Hilborn is re-elected president Canadian Legion

P. F. Hilborn was re-elected president of the Kelowna branch, Canadian Legion for the third consecutive year. J. D. Bews was chosen first vice-president by acclamation, while J. E. Hay, who topped the voting for the four-man executive, takes over the post of second vice-president. Other directors are A. C. W. Ball, C. A. Gillard and G. R. Gray.

Total of 408 Legion members cast joined the reserve of the BCD's ad ballots. Paid up membership is 584. There were six spoiled ballots. Legion officials said it was the heaviest vote cast in the history of the branch.

PROVINCIAL CONVENTION

Recently a mortgage-burning ceremony was held by the local branch. All indebtedness of the club has now been wiped out. At present, the Kelowna branch is making plans for the 1955 provincial convention which will be held here next May.

Mr. Hilborn has an enviable war record. He enlisted in August, 1914 at Hordley Barracks, Bristol, Eng., in the 3rd Battalion of the Gloucestershire Regiment. He was posted to France with the 9th Scottish Division in 1915, held the rank of lance corporal, corporal and sergeant, and was recommended for a commission in the field in 1916.

He transferred as an aerial gunner in the Royal Flying Corps, returning to England for a cadet's course and finally commissioned as a second lieutenant in the RFC as an observer. Posted to the 34th squadron in Italy, he served overseas until the end of hostilities.

FAMOUS PILOT

During his tour of duty in the RFC Mr. Hilborn was gunner-observer for the famous Canadian pilot, "Billy" Barker, one of Canada's outstanding airmen. He was later demobilized and transferred to the reserve with the rank of first lieutenant. He was released from the Reserve of Officers on enlistment in the B.C. Dragoons and came to Canada in 1927. He enlisted with the same regiment early in 1939 and served until discharge in 1945. He saw service with the unit as a pilot in England, Africa, Italy, France, Belgium, Germany and Holland. After being discharged, he

P. F. HILBORN

JUBILEE COMMITTEE

Steering committee formed to make plans for Kelowna's 50th anniversary, held a meeting Thursday night under the chairmanship of Ald. Art Jackson.

Several important phases of the jubilee celebration were discussed.

Another light standard down

Another centre light standard on Bernard Avenue has been demolished.

This time it was the corner pole on Bernard and St. Paul Street. A visitor from Vancouver, Hiashi Kondo, struck the pole Saturday morning.

Driving a light panel truck, the Vancouver motorist was turning out of St. Paul on to Bernard, when the sun momentarily blinded him. Police indicated a charge would be laid.

Gyros plan 2nd auction Friday

Second portion of the Kelowna Gyro Club's radio auction is slated for Friday night over CKOW. In the first auction, held on November 19, the Gyros made close to \$1,000. Proceeds will go toward maintenance of Gyro Park and other community endeavors.

FIRST OF THREE ARTICLES

Dental health and fluoridation in the Okanagan

(The Kelowna Courier has asked Dr. D. A. Clarke, medical health officer, to outline the fluoridation situation in a series of three short articles. Below is the first article. The second will consider "The Brantford Story" and the third "Fluoridation in Kelowna.")

(This series may be considered the most authoritative information available on the fluoridation question, which Kelowna ratepayers will express an opinion on December 9.)

As early as 1928, Dr. G. A. Ootman, medical health officer for the Okanagan Valley, Dr. William Knox, medical school inspector for Kelowna, and Mrs. Annie Grindon, public health nurse, voiced great concern over the appalling dental health of the 2,000 school children in this valley. It was apparent from the annual inspections that nine out of ten children were in need of dental care and that less than two in one hundred were free of dental decay. They felt that there was an immediate need for a school dentist and they made a concerted effort to interest the community in undertaking such a service for children.

Twenty-five years later we are still faced with the same dental problem of widespread dental decay in our school children, which takes an annual heavy toll in terms of decayed teeth, toothaches, lost teeth and poor dental health. The "Canada Sickmess Survey" of 1950-51 showed that only one Canadian family in four received dental care at an average cost of \$28.00 per family per year, and that it would require more than five times the present number of dentists to even approach the unmet dental needs of this nation.

EXTENSIVE SURVEY

One of the most far-reaching public health discoveries of this century has been the relationship between dental decay and a fluoride deficiency. Following an extensive scientific study of this whole problem by the United States Public Health Service and the Canadian Federal Health Department over the past twenty-five years, it has been shown that dental decay is essentially a fluoride deficiency disease similar to other deficiency diseases as goitre, (iodine deficiency); rickets (Vitamin D deficiency); and beriberi (Vitamin B deficiency). These authorities demonstrated that

Good response to clothing appeal

Response to the Salvation Army appeal for heavy clothing was termed overwhelming by local Army officials. The appeal went out earlier this month and from 10 to 15 bundles of winter clothes were received.

Reason for the appeal was due to request for clothing from apple pickers. Cold nights caused a depletion of supplies.

Major Winnifred Fitch said the two season peaks for clothing from transients is in the spring and fall of the year.

"The supplies were almost cleaned out in September due to early frosts," Maj. Fitch said.

Missing man found after long search

W. V. Hillier, 525 Harvey Avenue, who had been lost in the McCulloch area since 4:00 o'clock Sunday afternoon was found by a search party at 11:30 this morning.

Hillier was reported in a weakened condition but was unharmed during his night stay in the bush. He had fired three shots Sunday afternoon when finally realizing he was lost. Hillier was on a hunting trip with Dave Chapman, also of Kelowna.

Chapman made his way out to the main road after the two had separated in the bush and reported the missing hunter to the local RCMP detachment.

Several members of the Kelowna Civil Defence organization took part in the search under the direction of J. H. Horn. A special line of communication was set up by district radio "hams." Members of the RCMP, department of Game and Fisheries, Forestry department and several Kelowna hunters took part in the search.

Vernon youth instantly killed in accident on Vernon road

Two players released by Packers

Howie Amundrud, defence, and Jim Zarie, a winger, were released by Kelowna Packers coach Alex Shibicky at last night's workout in Memorial Arena.

Shibicky stated this afternoon that he hopes to have a new defenceman in town for tomorrow night's game between Packers and Kamloops Elks in the local arena.

"He will definitely be here by Wednesday," added Shibicky. The Orchard City hockey mentor also said he expects two new forwards to arrive this week.

Packers have a busy week. They play Kamloops Elks here tomorrow night, Vernon Canadians in the northern camp Wednesday night, Penticton 'V's at Penticton Friday and Penticton again here Saturday night.

A nineteen-year-old Vernon youth was killed instantly, and two companions slightly injured when the car in which they were driving overturned on the Vernon-Kelowna highway, half a mile south of Winfield Sunday afternoon.

Instantly killed was Lawrence Downer, 19, of Vernon. Slightly injured and later released from Kelowna General Hospital were Allan Treherne and Allan Grant, both 17, and also of Vernon.

A jury under Coroner Dr. J. A. Urquhart was called to view the remains at 11:00 o'clock this morning, and adjourned the inquest until Tuesday morning.

It is believed that the car, of which Downer was the driver, struck a soft shoulder on the road and headed for the ditch. The car careened back on the highway, rolled over and landed on its wheels.

Treherne and Grant, passengers in the 1937 model coupe were rushed to Kelowna General Hospital by ambulance and were released last night following medical examination.

RCMP officers from the Kelowna detachment investigated.

COUNCIL MEETING

Regular meeting of Kelowna City Council will be held tonight at 8:00 o'clock in council chambers.

Impanelled as coroners jury this morning were: George Menzies, Stewart Gregory, Don McKay, R. E. Lapp, Les Koch, Maurice Melke, and Harold Ullrich.

Vote on December 9

Speakers urge citizens to approve fluoridation and water intake bylaw

Public support of both the fluoridation referendum and the \$200,000 water intake bylaw, was urged by two speakers who addressed the Kelowna Lions Club Thursday night.

Ald. Art Jackson spoke in support of the water intake bylaw, while Dr. Mel Butler dealt with the proposed fluoridation of domestic water supplies. The bylaw and the referendum will be placed before ratepayers at the December 9 civic election.

Alderman Jackson warned that it may be necessary to boil domestic water if the bylaw fails to pass. He pointed out that contamination of lake water at the present intake area has reached such a point that health authorities have become alarmed.

15 POTENTIAL SOURCES

He distributed a pamphlet which outlined 15 potential sources of contamination. These included emergency sewage outlet from No. 1 pump station; Brant's Creek drainage from Kelowna and Glenora; trade waste from fruit processing plants; tug boat contamination (two areas); trade waste from canneries; commercial storm drain (three areas); washings from ferries; aquatic club's emergency sewage outlet into Mill Creek; drainage from Mill Creek from Ellison, Ben-voulin and Kelowna.

Depth of the present intake site is 45 feet. At Poplar Point it will be 65 feet. Cooler water will also be obtainable for packinghouse use. In recent years, packinghouses have complained over the rise in water temperature. Cold water is necessary to keep refrigeration equipment cool.

SEPARATE ISSUES

Mr. Jackson emphasized the water intake bylaw and the fluoridation referendum are two separate issues. Only property owners can vote on the water bylaw, but all those registered on the voters' list may vote on the referendum. An affirmative vote on the referendum is not necessarily binding on council, he said, although provision has been made for fluoridation equipment will be the film "The March of Medicine."

Mr. Butler, speaking in support of fluoridation of water estimated that 98 percent of children of pre-school age are suffering from dental disease. Fluoridation is not new in Canada or the United States, he said, pointing out that a considerable amount of research had been done at Stratford, Brantford and Sarnia.

Communal fluoridation can reduce dental decay up to 65 percent. It would be of particular benefit to small children, and the cost would be infinitesimal compared with the benefits that would be derived.

In reply to critics who charge that fluoride is injurious to the system, Dr. Butler said that a person would have to drink 450 glasses of water consecutively to have any toxic effect.

The speaker said that the Canadian dental bill is \$33,000,000 a year, and the cost per person of fluoridating water would be less than the cost of one visit to a dentist.

The speaker said railways will list.

Special committee formed to study distribution of natural gas in valley

(By Courier Staff Reporter)

SUMMERLAND—A special committee was appointed here Thursday afternoon by the Okanagan Valley Municipal Association to study a program of natural gas distribution from Kamloops south to the border.

A special committee was set up, and a general meeting will be called after all necessary data has been collected. Members include Mayor J. J. Ladd, of Kelowna; Mayor A. P. Wilde, of Vernon; N. J. Johnson, Enderby; L. D. Bryant, Prince George; J. M. Handaker, North Kamloops; Mayor Oscar Matson, Penticton; and Mayor J. Fitzwater, Kamloops.

C. H. Smith, representative of the Inland Natural Gas Company, appeared before the meeting to explain his company's interest in obtaining the natural gas franchise for the valley.

"Inland Natural Gas at the present time operates two subsidiaries that supply gas to municipalities in British Columbia and Alberta. They are the Peace River Transmission Company and the Grande Prairie Transmission Co.," Mr. Smith said.

LINE TO BORDER

Proposed pipeline for the Valley would be tapping a line from the Peace River area to the Coast, at Kamloops. The Okanagan line would run from Kamloops to the U.S. border, supplying all the municipalities that take the natural gas.

Municipalities attending the meeting were assured of cheaper gas prices by the tapping of the West Coast Pipe line. Mr. Smith explained the Inland owned some 15 percent of the gas transmitted

over this proposed line.

Inland's gas deal would include the building of gas mains in the municipalities that are accepting the natural gas, proposition, and supply the consumers with propane gas until the natural gas line is built.

Mr. Smith explained the reason for supplying propane gas is the initial year or two would be to build up a demand for gas usage by consumers.

"The hopes of the Inland Natural Gas Company rest with the construction of an all-B.C. transmission line," Mr. Smith said.

"Some reports have been released that Alberta natural gas will be piped out of that province through a southerly route to the northern section of the United States," Mr. Smith said.

Mr. Smith said, would leave the interior of B.C. without natural gas facilities.

"I feel natural gas is a great asset," (Turn to Page 8, Story 1)

Roses bloom in city park

Wednesday may be the first day of December, but the Queen Elizabeth Rose Garden in The City Park seems to have just count of the season. Many roses are still in bloom with buds ready to break out. Park officials claim fresh roses would be blooming at Christmas if the mild weather holds out.

Response to Salvation Army appeal for clothing

Major Winnifred Fitch, head of the Kelowna Salvation Army, is shown with Capt. H. Askew inspecting just one of the many garments received from appeal made earlier this month for winter clothing. Between 10 and 15 large bundles of clothing were donated to the Salvation Army by Kelowna residents. The clothing is being issued to less-fortunate transients.

Official opening of new road delayed until 1955

A comprehensive outline of the work accomplished by the roads and transportation committee of the Kelowna Board of Trade, was given at last week's meeting of the local board by J. D. Bews, chairman of the committee.

Mr. Bews said that while re-location of the McCulloch-Carmi road has been completed, the official opening will not take place until next spring. The road was to have been opened by Works Minister P. A. Gagliardi last month, but heavy rain forced postponement.

Following is the text of Mr. Bews' report:

Projects which came to the attention of this committee included paving of the Big Bend Highway; McCulloch-Joe Rich bypass; Carmi-McCulloch road and extension of Okanagan Mission Road. The committee chairman also sat on the Okanagan Valley Bridge Committee.

"An early project of the roads and transportation committee concerned the 'Signing' of district roads in connection with the police department. Working in conjunction with Alderman Jackson, a map was made available and the names brought up to date. This necessitated contacting representatives of the various adjacent districts to list existing names and suggested new ones. Suffice to say that with the co-operation of Alderman Jackson, the city drafting department and the local provincial public works engineer, the map was finally completed this month. Copies were made available to the police department, city, fire hall and Board of Trade.

"Another matter concerned more effective signing of avenues running into the Vernon Road, complaints having been received that it was too difficult to find the street names whilst driving along the Vernon Road. The matter in turn referred to Alderman Treadgold and the traffic advisory committee. However, after discussion by City Council and the advisory committee no solution was forthcoming.

"This committee supported a Golden and District Board of Trade resolution concerning completion of the established Trans-Canada Highway via the Big Bend. Several such resolutions were thoroughly discussed during the year and this board's support recommended. However, the Federal Minister has indicated the Big Bend will be the route.

RE-ROUTE HIGHWAY
"The re-routing of the Summerland section of highway 97 was discussed by this committee and a recommendation re its confirmation was referred to Minister of Public Works, Phil Gagliardi.

"Your chairman has, during the year, acted as official delegate to Okanagan-Cariboo Trail Association functions. One of the major projects of this association has been improvements to Highway 97 through the Okanagan.

"The local board is an active member in the association and has also contributed financially together with the tourist council to the proposed publishing of an OCTA folder for the publicizing of this route. A folder is now being prepared and should be ready for distribution in February or March of 1955. Most Boards of Trade and tourist councils from the border to Dawson Creek have contributed. The board's director is R. P. MacLean.

PUBLICITY DRIVE
"The annual convention this year was held in Bend, Oregon. Kamloops Board of Trade, in arranging a Canadian Cavalcade of delegates, was responsible for having 26 cars from the city and district alone. Business discussed resulted in the following resolutions being adopted which should be of interest to members of this board.

"Recommendations of the budget and promotion committee included one of a second OCTO folder—a historical folder listing items of interest, road information, where to sleep, eat, entertainment, supplies, etc. No advertising—rather the listings would be paid for. Distribution would be to hotels, motels, service stations and restaurants. There will be need for hiring a man on a small fee to sell for the listing. This plan was adopted. This folder is not to be confused with the one presently being prepared and for which funds have been solicited.

"A motion was passed unanimously that this organization reaffirm its position with the Pacific Northwest Travel Association with minimum dues of \$100 to assure distribution of the folder. Incidentally

much interest to everyone concerned.

FERRY TIE-UP

"In regard to a ferry tie-up at Westside on July 18 at 8:00 p.m., resident engineer Tom Hughes reported that three ferries had been operating earlier and at the time of the apparent tie-up, the RCMP had commandeered one ferry due to an emergency call for blood plasma to Penitentiary. This of course resulted in a back-log of cars waiting to cross to Kelowna. However Mr. Hughes emphasized that the delay was no longer than 30 minutes as ferries were shuttling. Actually the time was 8:24 p.m. He also pointed out that skippers have the authority to run over-time in such cases as when the third ferry is due to tie up such as at 5:30 p.m. If when the end of a shift comes along for the third ferry and there is a line-up, the captain can take the load, thus working the crew over-time. This was done on Friday, July 23 when the writer had occasion to cross the lake.

"Furthermore, the crews working over-time do not receive any additional pay as Victoria will not authorize it. The crews could complain to their union, but they were co-operating and not asking for anything extra.

"During August Mr. Hughes reported that on Sundays the third ferry would operate an extra two hours in the evening and he hoped Victoria would authorize overtime pay. On Wednesday, July 28, the third ferry was put into operation at 8:00 a.m. instead of the usual 11:00 a.m. in order to take care of the trailer caravan and visiting Elks.

Mr. Hughes personally discussed the lake crossing with these two groups so as to facilitate the crossing as quickly as possible. Mr. Hughes is doing all he can to satisfy everyone and to move the traffic quickly as possible—however there are the odd occasions when the best of adequate schedules go astray.

"In regard to traffic from Deep Creek district cutting in on highway traffic to the ferry, he said a crew member when possible, tries to regulate the cars. This condition only shows up during some peak periods, therefore it is impossible to have a man do nothing else but direct traffic or supervise it, as it is only a part of someone's job.

DOUBLE DOCKS
"As traffic is increasing, Mr. Hughes has written his department suggesting that the balance of docking facilities on both sides of the lake be completed—that is, if completed, there would be double docks on both sides. He stated that the Board of Trade could help strengthen his hand, and this board has requested such additional facilities be instituted as soon as possible. It would mean that two ferries could be docked at the same time.

"In future it is believed that when such problems arise, they be discussed with the party or parties concerned before any publicity is given, so that we have an opportunity of hearing both sides of the complaint."

Winfield

WINFIELD—Miss Ardella Chato, nurse-in-training at the Royal Columbian Hospital, New Westminster, B.C., has been holidaying for several weeks at the home of her parents, Mr. and Mrs. Les Chato.

After visiting their son-in-law and daughter, Mr. and Mrs. Winfield, in California, Mr. and Mrs. Paul Konig have returned home. Their daughter Gertrude, who accompanied them to California, remained there for the winter.

Packinghouses have again closed for the season after a very successful run.

Several of the local hunters were fortunate in bagging deer.

Civic affairs committee of Board of Trade has taken active interest in local affairs

A thorough outline on the activities of the civic affairs committee of the Kelowna Board of Trade was presented to members Tuesday night by chairman Norm DeHart.

The report showed numerous activities members of the committee participated in during 1954 and also a number of recommendations presented to the city council.

A recommendation was forwarded to the council on procedures and materials used in the mosquito control program, questioning whether the methods and materials in use were not as effective as formerly.

Support of civic affairs committee was given to the city council in its effort to obtain the old Turner property in the north end of the city.

STREET NAMING
The committee also assisted council in street naming and asked city fathers to investigate the possibility of having flasher signals erected at the railway crossings in the industrial zone.

Attention was drawn by the committee to the Greyhound Bus Company for a better approach to their depot, especially for visitors to the city.

OLD STORAGE

KITCHENER, Ont.—Township officials called the Waterloo county Home for the Aged a "fire trap" after committee members said they found "a truckload of corn syrup tins and harness for 20 horses" among rubbish in the basement.

Cellar-dwelling Packers take 6-3 defeat from Canadians

Kelowna Packers failed to take advantage of their opportunity to vacate OSHL cellar in Memorial Arena Saturday night as they were stopped 6-3 by third place Vernon Canadians in a clean, fast hockey fixture. It was the fourth straight loss in the face handed hockey and Vernon's fourth victory in seven meetings with Kelowna this season.

Visitors chalked up a 3-1 lead in the initial period. Kelowna staged a comeback in the second stanza, although neither squad was able to score. Vernon continued to dominate play in the final stanza as they garnered three goals to locals' two.

Frank King of Canadians notched two goals and a pair of assists for high marksmanship of the fixture. Team mate Sherman Blair and recent addition to "Packers" roster Dave Wall scored two markers for their respective clubs.

Northerners out-shot Kelowna 45-33.

Willie Schmidt opened the scoring at 7:40 of the first period on a pass from King. Schmidt stick-handled in from Packers' blue line and poked the puck between Kelowna goalie Lalonde's legs.

Dave Wall, aided by Swarbrick, came back one minute later for Packers. Wall walked in from the blue line and shot the rubber along

paid by new members with application of membership. This resolution was added to the constitution in case the club has a larger membership that it can handle.

A resolution adopted at the meeting called for the appointment by the executive of any vacancies on the directorship that may occur during the regular playing season.

This year's club captain, John Jardine was re-appointed by acclamation.

Reports were read by the directors and adopted. Prior to the annual meeting a buffet supper was served, and a movie-film on golf was shown.

Membership for the club in 1954 stood at 316, a decrease of one, over 1953.

Elks knocked for 7-2 loss

(Special to The Courier)

PENTICTON — Pentiction V's evened the score with Kamloops Elks here Friday night when they posted a top-sided 7-2 win over second place Elks. The win was the fourth for each club against the other in nine games so far this season—the other game ending in a tie.

Though each goal was tested 25 times in the OSAHL tussle, play was decidedly in favor of the V's. Many of Kamloops shots on goal were of the non-dangerous variety, as the visitors could not seem to make their attacking plays work properly. V's, on the other hand, had a night in which they could do nothing wrong.

Ivan McLellan between the Pentiction pipes was almost unbeatable on the few tough shots coming in his direction. The first Kamloops goal was deflected in by one of their own defencemen, Rodzinyak, in the Elks' goal but a bad one out of his system, as two or three of the tallies he allowed were of the easy variety.

Dick Warwick opened the scoring in the first. Taraia made it 2-0 when his blistering shot from the red line was muffed by Rodzinyak, and MacDonald ended the period's scoring on a solo effort while the Elks' had the man advantage.

McAvoy tallied early in the second on another bad error by the visitors' goalie, and Kasan and Grant Warwick—the latter making his first appearance in two weeks—made it 6-0 before the Elks' got on the score sheet. Kamloops' two goals came within 22 seconds of each other, as Slater tallied just after McIntyre deflected the rubber past his own goalie.

A small rash of penalties had to be dished out starting at 9:02 of the final frame, as tempers started to simmer a little. Referee Peters didn't have the trouble he encountered in his last bout here, when Vernon and Pentiction were involved in the November 13 donnybrook. Kilburn tallied the only goal of the last frame 58 seconds from the bell.

SUMMARY

First period—Pentiction, D. Warwick (unassisted) 6:49; Pentiction, Taraia (Shabaga) 10:37; Pentiction, MacDonald (unassisted) 14:55. Penalties—D. Warwick, McIntyre, Kerr. Stops—Kamloops 9, Pentiction 7.

Second period—No scoring.

Third period—Vernon, King (Davison) 1:17; Vernon, Blair (Roche) 3:20; Kelowna, Culley (Durban) 5:34; Kelowna, Wall (Davies, Swarbrick) 6:47. Penalties—Lavell, Bidonki (5); Swarbrick (5).

Golf Club raises dues

Golf dues took a \$5 hike when members of the Kelowna Golf and Country Club voted the increase at the annual meeting held Friday night in the club lounge.

Four directors were also elected. They were (for two years) Fred Clarke, D. Dale, Bill Green and for one year Tommy Tomlye.

An entrance fee of \$20 will be

APPOINTMENT of Gordon P. Cairns as Sales Manager for British Columbia, is announced by Martin Paper Products (B.C.) Ltd. Mr. Cairns will direct sales operations from the company's office in New Westminster. A University of Manitoba graduate, Mr. Cairns is former sales manager and a director, of Bulman Bros., of Vancouver.

Hapless Elks take 6-1 loss from Pentiction

KAMLOOPS — Even the four penalties handed out by referee Bill Neilson and an occasional threatened flare-up failed to brighten a dismal one-sided OSAHL game here Saturday night in which the Pentiction V's ran rings around Kamloops Elks 6-1.

Allan Cup champions led 2-1 at the first break, stretched it to 3-1 at the second and then proceeded to wade in for three more as the gloom deepened over the hapless Elks.

A revelation was the docility of Wild Bill Warwick who even had room to reward one of his more vociferous critics with a broad smile. It was Bill who marked up the best goal of the game, a sizzling individualistic effort from just in front of his own goal, with no other player touching the puck until Boomer Rodzinyak reached behind him to yank it out of the net.

Others who stood out in a starry display of resourceful attacking hockey were Don Berry, Dick Warwick, Jack McIntyre and Mike Shabaga, each of whom picked up two points and skated like champions throughout.

SUMMARY

First period — Pentiction, Dick Warwick (Berry, McIntyre) 9:22; Pentiction, Kilburn (Shabaga, Ruck) 14:31; Kamloops, Millard (Conn) 19:08. Penalties—Fairburn, McAvoy.

Second period — Pentiction, McDonald (Taraia, Fairburn) 14:71. Penalties—Conn, Conway.

Third period — Pentiction, Bill Warwick (McAvoy) 10:18; Pentiction, Berry (Dick Warwick, Bathgate) 12:29; Pentiction, Shabaga (Fairburn, McIntyre) 18:27. No penalties.

SPECIAL GRANT

A special grant of \$500 has been made by the city to the Board of Trade building fund. Last year the city gave \$1,500 and promised additional help this year.

What happened to . . . ?

Bud Gourlie, considered at one time one of the best stickhandlers on the west coast, was centre and alternate captain of the 1948-49 and 1949-50 Packers.

Gourlie was born in 1918 in Log Valley, Saskatchewan. He played for Trail Juniors the season of 1936-37 and moved to Kelowna in 1937, playing for CKOV's hockey club. He played with Vernon Hydrophones in 1941, the year they lost out in the Coy Cup finals to a coast team in a series staged in Vancouver.

Following his stint with Vernon, Gourlie turned professional, playing with Vancouver Lions. After two seasons with the pro squad, he returned to the Orchard City, where he secured a position with the city's electrical department.

In 1951, he moved to Vancouver, where he has since been employed with a construction firm.

A member of Vancouver Olympics of the coast city commercial league last season, Bud hopes to play in the commercial setup again this year.

"You couldn't keep him down from hockey," says his mother, Mrs. Susanah Gourlie, of 528 Doyle Avenue.

MIDGET AND JUVES PRACTICE

Kelowna midget and juvenile Packers practice from 5:15-6:15 and 6:30-7:30 respectively in Memorial Arena Wednesday night.

Both teams play host to Pentiction midgets and juveniles December 7 for a pair of Okanagan Valley minor hockey league encounters.

Outstanding ice fantasy here Dec. 18

"Canadian Ice Fantasy of '55" is coming to Kelowna on December 18. Lavishly costumed, brightly lighted and supported by a huge cast of Canadian and American skating champions combined to make this show one of the most extravagant ice productions ever released outside the big cities.

Lovely Miss Lorrie Perkins, Pacific Coast champion from Vancouver, who recently completed a television show in San Francisco, is receiving tremendous acclaim on her Canadian tour.

Ken Hoeft, of Dallas, Texas, featured in America's largest ice shows, will star in the male lead and pair with lovely starlet Lorrie Perkins. Comedians Yano, Clossin, Shurr and Mertz will provide some side-splitting antics. These brilliant stars will be supported by a Canadian-American cast of 44 top skaters in gorgeous costumes.

For the kiddies there is "Little Red Riding Hood" and "Peter the Big Bad Wolf" and 30 animals from the big forest. The 24 thrill-packed acts with story lavishly costumed and the eight other big production numbers: "Three Coins in the Fountain," "African Mambo," "Gypsy Dance Festival," "Winter Wonderland" etc., will make this year's show the finest ever produced in Canada.

The show, sponsored by the Kelowna Memorial Arena, has advance tickets now on sale, at the arena office.

FLASHER LIGHT

City Council has approved installing a flasher light on the centre light standard at the Richter Street intersection. It was estimated the light would cost \$88.

Golf club greens

December may be just around the corner, but the Kelowna Golf and Country Club has not put away grass-cutting equipment for the season.

Due to the mild fall weather, grass continues to grow, and it was necessary to give the greens another trimming.

It's not unusual for Kelownians to play golf right up to Christmas.

Only a wisp of snow has been noticeable on the upper levels surrounding the Orchard City.

TRY COURIER CLASSIFIEDS

SUB-DIVISION

City Council Monday night formally approved the application for the sub-division of the Grote Stirling property. The land will be divided into five building lots.

Everything's new but the name!

'55 DODGE

V-8 and 6's

BIGGEST CAR IN THE LOW-PRICED FIELD

More than a foot longer, inches wider and lower—years ahead in inspired styling—new in everything but name—that's the daring, new Dodge for '55! You'll sense a new trend in motorcars in its long, slim lines and clean, taut surfaces that give it an exciting "eager-for-action" look. Inside, intriguing new interior fabrics live in perfect harmony with exterior colours—and literally breathe richness and luxury.

There's a dramatic power story, too, for the '55 Dodge offers a great new V-8 and two dynamic 6's. And eager Dodge power, responsive to your slightest command, can be harnessed to PowerFlite*, finest of all automatic transmissions.

Learn the whole exciting story—see the daring new Dodge on display at your Dodge-De Soto dealer's now.

*PowerFlite, power steering, and power brakes are optional at moderate extra cost on Mayfair, Regent, and Crusader models. Power window lifts and power seat are also available on Mayfair and Regent models at extra cost.

New Horizon full-wrap windshield differs from ordinary wrap-around because it wraps around at top corners where you really need it, as well as the bottom. There's full vision from every point of view.

Gently sloping rear deck, extended fender line, and recessed taillights accentuate the car's low, graceful silhouette.

Front seat of two-door models folds 1/4-3/4 . . . allows easy entrance or exit without disturbing front seat passengers.

PowerFlite* Flite Control lever, a new styling treatment, is now mounted on instrument panel.

NOTICES
"Forest Act" (Section 33)
NOTICE OF APPLICATION FOR FOREST MANAGEMENT LICENCE
In the Osoyoos Division of the Yale Land District and the Similkameen Division of the Yale Land District, and situated in the vicinity of the West Kettle River.

TAKE NOTICE that Rutland Sawmills Limited has applied for a Forest Management Licence including certain Crown lands, not already alienated, and subject to the rights of the Crown to grant and administer, livestock grazing, fishing or hunting, or other recreational rights within the following described areas:

Commencing at the south-west corner of Lot 3742, Osoyoos Division of Yale District, situated westerly from the confluence of Mission Creek and Grouse Creek; thence easterly and northerly along the boundary of said Lot 3742 to the south-east corner of said Lot 4051; thence easterly along the southerly boundary of Lots 4051, 4049, 4048, 3906, 4091, 2182, and 4004 to the south-east corner of said Lot 4004; being a point on the westerly boundary of Lot 4514; thence southerly to the south-west corner of said Lot 4514; thence easterly along the southerly boundaries of Lots 4514, 4085, and 3459 to the north-west corner of Lot 4182; thence southerly and easterly along the southerly and easterly boundaries of Lots 4182, 4088, and 4180 to the south-east corner of said Lot 4180; thence easterly and southerly along the boundaries of Lot 4182 to the most southerly south-west corner thereof; thence easterly along the southerly boundary of Lot 4182 to the south-east corner of said Lot 4182 to the left bank of Rich Creek; thence in a general southerly direction along said left bank of Rich Creek to a point due west of Mile Post Number 18 on the westerly boundary of Lot 2713, Similkameen Division of Yale District; thence southerly and easterly along the southerly and easterly boundaries of Lot 2713 to the westerly boundary of the watershed of the West Kettle River; thence in a general northerly, easterly and southerly direction along the westerly, northerly and easterly boundaries of the watershed of the West Kettle River to the northerly boundary of the watershed of Trapper Creek; thence in a general westerly direction along the northerly boundary of the watershed of Trapper Creek and the southerly boundary of the watershed of the West Kettle River to the westerly boundary of the watershed of Campin Creek; thence in a general northerly direction along said westerly boundary of the watershed of Campin Creek to a point due west of Mile Post Number 15 on the westerly boundary of the watershed of Mission Creek; thence in a general westerly direction along the said southerly boundary of the watershed of Mission Creek to the point due south of the intersection of the westerly boundary of Lot 3742, Osoyoos Division of Yale District; thence north to the said south-west corner of Lot 3742, being the point of commencement.

RUTLAND SAWMILLS LIMITED
Dated November 23rd, 1964.
Any submission in respect to the above application, must be in writing. Not less than sixty days after the date of first publication of this notice of application in The British Columbia Gazette, the Minister of Lands and Forests will make final disposal of the application, and, therefore, to ensure consideration, submissions should be received by the Deputy Minister of Forests within that period. However, equal submissions received at any time prior to final disposal. Submissions should be addressed to: Deputy Minister of Forests, Department of Lands and Forests, Parliament Buildings, Victoria, B.C. 31-4M-c

NOTICE TO CREDITORS
In the Matter of the Estate of LAKHA SINGH, deceased.
NOTICE IS HEREBY GIVEN that all creditors and other persons having claims against the estate of LAKHA SINGH, deceased, late of Kelowna, B.C., who died on the 18th day of July, 1962, are required on or before the 30th day of December, 1964, to deliver or send full particulars of their claims, duly verified, to the undersigned Executor, at 147 Water Street, Kelowna, B.C. AND TAKE NOTICE that after the last-mentioned date the said Executor will proceed to distribute the assets of the estate of the said deceased among the persons entitled thereto having regard only to the claims of which he shall then have notice.
T. F. McWILLIAMS, Executor. 32-46

LAND REGISTRY ACT (Section 181)
IN THE MATTER OF: Lots Three (3), and Four (4), of Lot One Hundred and thirty-eight (138), Osoyoos Division of Yale District. May Three thousand six hundred and eighty-three (3683).
CITY OF KELLOWNA.

PROOF having been filed in my Office of the loss of Certificate of Title No. 114996F to the above mentioned lands in the name of Elsie Jane Burbank of Prince George, B.C. and bearing date the 3rd day of March, 1947.
I HEREBY GIVE NOTICE of my intention at the expiration of one calendar month to issue the said Elsie Jane Burbank of Prince George, B.C. a Provisional Certificate of Title in lieu of such lost Certificate. Any person having information with reference to such lost Certificate of Title is requested to communicate with the undersigned.

DATED at the Land Registry Office, Kamloops, British Columbia, this 1st day of November, one thousand nine hundred and fifty-four.
A. A. DAY, Deputy Registrar. 27-5M-c

PUBLIC NOTICE
Pursuant to the provisions of Section 5 of Chapter 138, Revised Statutes of British Columbia, 1948, "Grazing Act," notice is hereby given that all horses, brand or otherwise, branded or claimed by any person or persons, must be removed from the Crown range within the exterior limits of that portion of the "Kamloops Grazing District" (approved by Order-in-Council No. 117, January 19th 1954) which lies to the south of the main line of the Canadian Pacific Railroad, on or before the fifteenth day of December of the year 1954, and must be kept therefrom until the sixteenth day of April of the year 1955.

During this period the department will give consideration to applications of Livestock Associations, Farmers' Institutes and others, to round-up or shoot wild and useless horses encumbering the Crown ranges, and any horses found on the Crown ranges during this period must be branded and disposed of or shot under the provisions of the said "Grazing Act" and Regulations without further notice.
R. E. SOMMERS
Minister of Lands and Forests
Dated at Victoria, B.C., this 6th day of November, 1954. 29-4M-c

APPLICATION FOR A WATER LICENCE (Section 6)

Phone 2825

EXTRA SPECIAL!
50 ACRES WITH SOME 32 ACRES IN ORCHARD. Fine, old family home, comfortable and warm. Excellent new implement shed, picker's cabin, and full line of equipment except sprayer. The varieties—apples mainly, run heavy to Macs, some inter-planting done in Red Delicious, 300 young Pears, few Prunes, Hyslop Crabs, and Grapes make up the planting—balance pasture. Abundant water and at an amazingly low price per acre. On paved road close to city. The price asked—plus a mortgage that can be assumed, plus the owner's desire to retire from the property, and crop payments on balance—a prospective purchaser can make himself a good deal on this. Owner will subdivide and there is a new reduction in price. Ask for further details and make an appointment to look this place over.

Opening of Peachland's Totem Inn Hotel recalls early history of community

Opening of Peachland's recently-renovated Totem Inn Hotel marks a step forward for the Okanagan Valley. It is the pride of the entire community.

Behind the site lies a colorful history. That an even more auspicious future beckons is the belief of the management, Mr. and Mrs. Pete Spackman.

The original building was constructed in 1898 for the Peachland-Summerland founder, J. M. Robinson. Following his departure in 1902, Mr. and Mrs. A. D. Ferguson opened a hotel in the building. The old "Edgewater Hotel" was a familiar stopping place for travellers aboard the "Sicamous," "Okanagan" and "Aberdeen," boats which plied the water of Okanagan Lake.

The Edgewater Hotel overlooked those waters, just as its successor, the Totem Inn Hotel does today. With the passing of time, both the "Edgewater" and the stately boats have faded from the scene. But the same aura of friendliness remains at the modern Totem Inn Hotel and the welcome mat is out to one and all.

Comfortable accommodation, the charm of the "Ogopogo Room" and dining room, has been planned to please all tastes. Home-cooked meals are served from 5:30 p.m. to 7:30 p.m. while afternoon teas are from 1:30 to 5:30 p.m. There is seating for 22.

PARKING FACILITIES
The Totem Inn Hotel has its own parking lot adjoining. Boating and fishing facilities are right at hand while ten other lakes are within a 22-mile radius.

Smokers' supplies and magazines are fresh and up-to-date.

It is modern, clean, bright, with an atmosphere all its own.

FAILS TO PASS

SALMON ARM, B.C.—For the second time, Salmon Arm voters have rejected a \$434,000 school-building referendum by a narrow margin. Eight elementary classes now operate on a double shift.

The Peachland Curling Club is one of the finest for its size in Western Canada, with an active and growing membership of both men and women. It is well lighted and has a good refreshment counter. The Totem Inn Hotel is about five blocks away. PCC members have competed in numerous bonspiels.

Westbank bazaar features many Christmas gifts

WESTBANK—Tables of Novelty items, including articles suitable for Christmas gifts, candy, aprons and a surprise table featured the annual C.W.I. bazaar held November 20 in the parish hall of Our Lady of Lourdes in Westbank, where the ladies of Peachland and Westbank netted a generous amount for their treasury.

Winners of the various attractions were Mrs. J. Garraway, of Peachland, who won the delicious fruit cake; M. R. Chaplin, of Westbank, who became the proud owner of a pop-up toaster; Mrs. W. H. Hewlett, the chicken, and Mrs. W. Formby, centrepiece.

Afternoon tea was served at attractive tea-tables during the afternoon.

At night, the pole is not so discernible. It is then that an illuminated sign directs attention to the Okanagan's newest meeting and dining spot.

Board of trade secretary submits report

Tom Hill, secretary of the Kelowna Board of Trade, submitted two reports to the special meeting of the Board held Tuesday night. One report was on the Okanagan and Mainline Associated Boards of Trade while the second dealt with the B.C. Chamber of Commerce.

The Okanagan and Mainline meeting was held in Golden on Oct. 4 with members comprising some 15 Boards of Trade.

B.C. Chamber of Commerce met in Vancouver, October 29 and 30 of this year with 54 municipalities represented. The provincial body was organized in 1951 and great strides have been taken by this body.

This year the B.C. Chamber urged the very best compensation for down-stream benefits on international streams. "Preference should be given to having Canadians operate facilities with any benefits being conferred on the United States be paid for in terms of power units and not in dollars," Mr. Hill said.

GAS PIPELINE
The provincial organization also went on record to have the government do all within its power to assure successful development of a B.C. pipeline for the Peace River natural gas, said Mr. Hill.

Support of the recommendation that the government establish town municipalities was stressed by the B.C. Chamber, Mr. Hill said.

Members of the Kelowna Board of Trade were urged by Mr. Hill to attend the next provincial meeting.

Peachland students have done well in Okanagan sports activities "down through the years. Many have later served their country valiantly in time of war."

Few people realize that there is a Fifth Avenue and Tenth Street in Peachland, being unaware that the community is larger than it appears to be to passing motorists.

Many people have photographed famous totem pole

A huge totem pole dominates the scene where Peachland's Totem Inn Hotel overlooks Highway 97 and Okanagan Lake.

Tourists from faraway Australia and South Africa have photographed it.

The original totem pole was carved from an 80-foot pine tree, 30 inches in diameter.

There are 16 characters on the totem pole and it took manager Pete Spackman 150 hours to carve the designs.

Valley residents and travellers in general, are invited to stop and study its colorful appearance any time they are in the vicinity of Peachland.

At night, the pole is not so discernible. It is then that an illuminated sign directs attention to the Okanagan's newest meeting and dining spot.

Exterior view of Totem Inn Hotel

The celebrated totem pole dominates the area to the left of the hotel, with the recent building extension in the background. 1955 will see further building progress, manager Pete Spackman stated, since the hotel fills a definite need in this Okanagan area. Increased tourist traffic was noted in Peachland this year, while Highway 97 tempo has also stepped up. The Totem Inn Hotel looks forward to a highly optimistic future.

Peachland is strategically located main Okanagan highway which draws heavy traffic

Highway 97, on which the Totem Inn Hotel at Peachland is located, is expected to triple its traffic within the next few years.

Peachland, strategically located on the shores of Okanagan Lake, between Kelowna and Penticton, on the U.S. border to Dawson Creek is 7825 miles.

Highway 97 is "the shortest route to Alaska" and the Totem Inn Hotel has this fine paved highway for a front-door carpet.

Those who travel the scenic Okanagan route can't possibly miss the Totem Inn Hotel with its huge totem pole and illuminated sign.

Good for Peachland! Good for the TOTEM INN HOTEL! Congratulations from Charlie Houghtaling at

Urge merchants take interest in retail bureau

Kelowna retailers were urged to take a more active participation in the Retail Merchants Bureau.

Peter Ritchie, chairman of the bureau, told a special meeting of the trade board Tuesday night that matters closely affecting the local retailers are discussed by the bureau.

Mr. Ritchie said he would like to see a greater participation of the local retailers in setting up a more active bureau.

The bureau studied the Saturday night shopping question and as usual this matter caused considerable discussion, Mr. Ritchie said.

PARKING PROBLEM
On the Saturday night shopping question, the executive was instructed at the last general meeting to continue as before, until the liquor outlets in Kelowna were finally established. It was decided to continue this practice as was done in previous years.

Several businesses at the west end of Bernard Avenue complained of the parking problem by theatre patrons Saturday night, he explained. This matter was discussed and the city council was asked to consider the question. No satisfactory solution has been found to date, he said.

Co-operation received from local merchants on the suggestion of staying open and staggering of staff during the Regatta was very much appreciated, by directors.

The Bureau studied a catalogue issued to the B.C. Teachers Federation Merchandising scheme. It was decided that the local Bureau would while W. A. Thompson is assisting Kazul Tanada with the local Scout troop.

Other officers in the newly-formed Women's Auxiliary to Westbank's Scout troop are: Mrs. H. Stafford, secretary; Mrs. C. Hoskins, treasurer; and Mrs. A. C. Hoskins, publicity convenor. Executive members include Mrs. J. Basham; Mrs. J. Schneider and Mrs. W. Formby. The organization meeting was held in George Pringle High School.

Mrs. R. Campbell heads Westbank scout auxiliary

WESTBANK—Mrs. Russ Campbell is chairman of the new Women's Auxiliary to the local Scout Association, which will take on the raising of funds and assist in Scout and Cub activities generally. First of the events to be arranged is a father-and-son banquet, "Mac" Black is taking over the management of the Cubs from Milton Rees, while W. A. Thompson is assisting Kazul Tanada with the local Scout troop.

Other officers in the newly-formed Women's Auxiliary to Westbank's Scout troop are: Mrs. H. Stafford, secretary; Mrs. C. Hoskins, treasurer; and Mrs. A. C. Hoskins, publicity convenor. Executive members include Mrs. J. Basham; Mrs. J. Schneider and Mrs. W. Formby. The organization meeting was held in George Pringle High School.

OGOPOGO, the celebrated Okanagan Lake monster, has been seen often in the Peachland vicinity in the past, according to records.

Peachland Girl Guides have an interesting program planned for the winter. The initial gathering got underway on October 18.

WESTBANK—The annual supper of Westbank United Church was held Wednesday evening, when some 100 people sat down to a bounteous dinner of turkey with all the trimmings, which brought in \$17.00 and an additional \$85.00 from the bazaar featured on this occasion by the Sr. Women's Association. The Junior W. A. took charge of the supper.

An outstanding feature of the bazaar were the beautifully-dressed dolls, the work of a number of women-members, and another table contained parcels from several European countries, California and towns in this province.

Travellers from Westbank who spent several months in England and on the continent during the past year were Mr. and Mrs. Olat Anderson and Mr. and Mrs. T. B. Reece, and while there they contacted many friends who gladly mailed parcels to be sold on this occasion. These dainty and inexpensive gifts from overseas and from all the trimmings, which brought in \$17.00 and an additional \$85.00 from the bazaar featured on this occasion by the Sr. Women's Association. The Junior W. A. took charge of the supper.

Favor honoring past presidents municipal group

SUMMERLAND—A notice of motion was tendered at the quarterly meeting of the Okanagan Valley Municipal Association for

the automatic appointment of past-presidents of the association as life members.

Three past-presidents attended Thursday afternoon's meeting. They were J. H. Horn, of Kelowna; O. L. Jones, M.P., also of Kelowna; and Ned Bentley.

The Parent-Teachers Association plays an active part in Peachland affairs.

Good for Peachland! Good for the TOTEM INN HOTEL! Congratulations from Charlie Houghtaling at

Janet Hayman replaces Phyllis Gore who has been sidelined under doctor's orders

The Kelowna Little Theatre people realized last week that Janet Hayman had been an especially fortunate choice for assistant director of their current production "Night Must Fall," to be presented in the Empress Theatre on December 6 and 7.

Mrs. Hayman has now replaced Mrs. Phyllis Gore in the role of Mrs. Bramson, the nasty old lady who owns and rules the house in which the action of "Night Must Fall" takes place.

The KLT was sorry to learn last week that Mrs. Gore's doctor had forbidden her to continue in her role. She had worked hard on the part and was giving an excellent characterization.

The logical person to take her place was Janet Hayman, an experienced actress who has already done several character roles for KLT. Since she had been directing the play for almost two months, she knew the part and has been able to pick up the lines quickly. Mrs. Phoebe Smith, director, is giving Mrs. Hayman daily instruction on the fine points of the role.

After a hectic, slide-infested, 24-hour journey from Vancouver, Phoebe Smith arrived in Kelowna Monday at 8:00 p.m. She started her first rehearsal 10 minutes later at the Empress and finished it at 11:30. She has been having intensive rehearsals all week, showing a determination to make "Night Must Fall" an outstanding show. KLT members observing rehearsals have been impressed by Mrs. Smith's imaginative approach, her concern for detail, enthusiasm, and ability to obtain confidence and co-operation from the cast.

"Night Must Fall," an exciting play by the eminent Welsh playwright and actor Emlyn Williams, includes in its cast Red Hughes, Dagny Macgregor, Rose Odum, Mabel Boyer, Harry Aldred, Ray Davis, George Stegan and Joan Hamblin.

Reserved seat tickets are now available at Brown's Pharmacy.

FROM PORTLAND... Visiting at the home of Mr. and Mrs. Fred Ast, 3061 North Street are Mr. and Mrs. H. E. Bergreen of Portland, Oregon, and their two daughters, Sharon and Chloe.

Eastern wedding of interest to Kelownians

In St. Paul's Anglican Church, Almonte, Ont., Miss Irene Edith James became the bride of Corporal Ernest Charles Baldoek in an afternoon ceremony recently.

The groom is the son of Mr. and Mrs. E. Baldoek, of Kelowna, while the bride is the daughter of Mr. and Mrs. W. T. James, of Almonte.

Rev. L. Graham officiated against a setting of assorted chrysanthemums and carnations.

The bride was given in marriage by her father and was attended by her sister, Mrs. Blanche Dezell. Mr. Allan Craig was best man and the ushers were Mr. Mack James and Mr. Don Sheppard.

For her wedding the bride wore a ballroom-length gown of white net over taffeta with lace bodice and bolero. A pearl tiara held her fingertip veil and she carried a white pibbe adorned with streamers of white ribbon and red roses.

A reception was held at the home of the bride's parents after which the couple left for a honeymoon trip to the United States. For travelling the bride wore a mauve suit with muskrat coat, beige accessories and a corsage bouquet of yellow roses.

Corporal and Mrs. Baldoek will reside in Ottawa, where he is employed in the drafting department, RCAP.

Rebekah lodges to again sponsor two UN delegates

District Association Rebekah Lodges meeting at Penticton, decided to again sponsor two high school students in a trip to the United Nations in New York. The students are chosen by public speaking contests in north and south Okanagan districts.

Three members from the Kelowna Rebekah Lodge No. 38, Mrs. A. McInroy, Mrs. C. R. Downing, and Mrs. H. C. Wightman, attended the meeting.

Ten Rebekah Lodges now constitute the District Association No. 3, Falkland's Mountain View No. 64 joined at the meeting.

Officers of the Kelowna Lodge this year are Mrs. Nora Smith, Mrs. Margaret Winter, Mrs. Elsie Phillips, Mrs. Mabel Wightman and Mrs. Beatrice Stewart.

Guide notes

During the past month 15 new members enrolled in the First Kelowna Brownie Pack. They are Wendy Williams, Elizabeth Flower, Donna Gregory, Jill Downton, Wendy Kerfoot, Sandra Egan.

Hundreds attend Royalite opening

Hundreds of Kelowna residents inspected Orchard City Motors, the new Royalite Oil Company outlet Saturday. The Royalite tank-truck was called into action early Saturday afternoon as the demand drained storage tanks. J. C. Ames, of Calgary, marketing manager for Royalite, was on hand to officially congratulate E. A. Murchison and H. A. Truswell of Orchard City Motors.

More About

**1 Special
committee**

(From Page 1, Col. 2)

set to the interior of B.C. and will attract new industry and lower the overhead costs of existing industries," Mr. Smith said.

"B.C.'s forest industry has wanted natural gas for some time to reduce the present high overhead of production."

Smaller municipalities in the valley would also be getting the natural gas if the larger centres would accept the Inland Natural Gas proposition.

"We would be forced to establish feeder lines into the smaller municipalities as the demand grows," Mr. Smith continued.

NO RATE STRUCTURE
At the present time no rate structure could be determined, Mr. Smith said, but natural gas would be cheaper than all existing fuels being used in the interior.

The cost of building a pipe line for natural gas into the valley and supplying all the municipalities was estimated from between \$6,000,000 to \$10,000,000.

Mr. Smith concluded with "dealing with one company would reduce the overall cost of initial

building of a pipe line." Costs would be cut by the use of propane initially rather than waiting for the natural gas to come in to the valley.

Mayor L. D. Bryant of Prince George, who attended the meeting as a guest of the Okanagan association, asked a number of questions concerning natural gas for the Pacific Northwest section of B.C.

Distribution of natural gas from the Peace River area to other sections of the province depends mainly on the financial returns expected from municipalities taking the franchise.

CITIES SURVEYED
Pentiction has already been surveyed for the Natural Gas system and a report made to the city

council. The cities of Kelowna and Vernon have been surveyed but the report has not been received back from the consulting engineers on the cost of installation of gas mains in these two cities, Mr. Smith said.

A 20 year contract would be signed by the municipalities with Inland Natural Gas company for them to operate the natural gas system. The municipalities would then have the option to purchase gas facilities from the company.

An agreement will be worked out between the company and the municipalities' special committee on the purchase price of the gas system. At the present time this question is the biggest stumbling block for agreement.

**Funeral service
for Mrs. F. A. Bell**

Funeral service for Mrs. Florence A. Bell, mother of Mrs. R. H. Wilson, of Kelowna, was held in Vancouver last week. Well-known in Kelowna, Mrs. Bell came to B.C. from England 73 years ago.

Mrs. Bell, who was 87 when she died, was pre-deceased in 1940 by her husband, George Bell, Liberal M.L.A. from Victoria from 1914 to 1918.

On her arrival from England in 1881, Mrs. Bell settled in the Okanagan valley. Her husband later became mayor of Enderby when that city was incorporated in 1903.

Following a period of residence in Victoria, Mrs. Bell and her family moved to Vancouver in 1923.

She was an enthusiastic worker at Chown Memorial Church.

She is survived by four daughters: Mrs. Rita Pauline, 444 West Twelfth; Mrs. H. B. Baxter, 5243 Kerland; Mrs. Evelyn Millar, of 1476 West Thirty-third, all in Vancouver, and Mrs. R. H. Wilson of Kelowna; seven grandchildren and four great-grandchildren.

Funeral service was conducted

by Rev. Stanley Peckham. Burial followed in Forest Lawn Memorial Park.

**Unwin-Simson
club speaker**

D. C. Unwin-Simson will speak on European affairs at next week's Canadian Club meeting, to be held Wednesday at 8.30 p.m. in the Anglican Parish Hall.

Educated at Heidelberg University, Germany, Colonel Unwin-Simson joined the engineering branch

of the Grand Trunk Pacific Railway, and in the First World War was granted a commission in the Canadian Engineers. He was transferred to the Royal Canadian Engineers following the Armistice, and in 1923 joined the Battlefields Memorials Commission.

Transferred to the personal staff of the Canadian Minister in Paris in 1936, he joined the staff of the Canadian High Commissioner in London in 1940. In 1944 he returned to the staff of the Canadian Ambassador in Paris until 1952. He now resides in Kelowna.

In 1940 he was made a member of the Engineering Institute of Canada.
